RESPONSE TO ELECTION OF SPECIES REQUIREMENT

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Applicants appreciate the courtesy shown by the Examiner in discussing the September 6, 2007 Office Action with the undersigned on September 12, 2007. The discussions confirmed that the Office Action was intended to be an election of species, seeking the selection for initial examination of one of the Sequence IDs, and in the event that claim 5 read upon this elected species, the election of a specific source. Applicants elect Sequence ID 1. Applicants believe that all of the pending claims read on the elected species. Applicants accordingly elect the specific source set forth in claim 6 in response to the further election requirement for the source.

The elections of species are made without traverse. An early and favorable action on the merits is requested.
